Judge's critique

I would like to thank the committee for inviting me and for their kind hospitality. And also to the exhibitors for entering and giving me the opportunity to judge this wonderful breed. The overall quality in females was better than males, but my CC and RCC winners and my best puppy were of very high quality and of true Lakeland type. not in show trim. 1 Girdwood's Rayfos Shonshone Dawn. 9 years old, in good condition for his age, moved ok. 2 Girdwood's Ellenside Rattle Em Of Eskwyre. 11 years old, looked well for age. **VD/B** 1 Bugoine & Woodward's Lady Jellirroll Mercedes. 7 year old bitch, in very good condition and coat, very well handled, moved well. **BV.2** Girdwood's Rayfos Shonshone Dawn. **JD** 1 Graham's Stanstead Limited Addition. 12 month old, top size, young dog, very elegant, with nice expression, moved and showed very well. **LD** 1 Johnston's Oregill Hot Pursuit, Typical Lakeland. A dog with a lot to like, short back, moved well. Close decision between my winner but preferred the head and front of my CC winner, **RCC**. **OD** 1 Broaders' Brookside Aristocrat. Red dog with nice head and ears, showed very well, nice front, level back, good tailset, in short but good coat, showed the best of himself. **CC**. **PB** 1 Ryan's Laketrix Fire Starter, lovely bitch. This bitch should have a very nice future, she is full of lakie type, very feminine, lovely head and expression, nice neck and shoulders, good tailset, short body, needs a little more lead training, liked her a lot. **PGB** 1 Duhig's Robelroy Reseda. Good Lakeland of decent type. 2 Burgoine & Woodward's Ralphina Shine On Me. **LB** 1 Burgoine & Woodward's Eskwyre The Whole Shebang. Lakeland of nice type, moved and showed well, but needs to lose a few pounds which will improve her front. 2 Mackenzie's Golden Uldale Plover. Red bitch with nice head, ears could be closer to the head, shade long in back, showed well for her owner. **OB** 1 Davani's Kebulak trickery, Made my day, very nice feminine bitch of nice size, typical lakie, full of fire, in super condition and trim, lovely head, ears and expression, moved very well, handled very well. **CC**, **BOB**, **BIS**. 2 Oregill's Hot Gossip. Another very nice bitch, very close decision between my CC winner but preferred the size and condition of my CC winner but this bitch is a very typical lakie and a example for the breed . two very nice bitches. **RCC** & **RBIS**.

Saturday 19th September was greeted with excellent weather and the Midland Lakeland Terrier Club Championship Show. Secretary Helen Ashe greeted exhibitors and visitors alike as they entered Shenstone Village Hall which has been the home of the Club for some years now, the Club is celebrating its 30th Show year quite some achievement for a British numerically small breed.

The concept and idea for the club was hatched on the patio of Reg & Dot Taylor's home in Derbyshire, Reg, Dot and close friend Gerald Gensberg recognised that the Midlands was fast becoming a hot bed for the breed and terriers in general. The next stage for the trio was to gather support for a breed club to service the interest in the Midlands, with support from the Lakeland Terrier Society and many Terrier people the application was sent to the Kennel Club which was duly rejected.

During the Birmingham National Championship Dog Show of 1984 supporters lobbied many known

Kennel Club members, the hard work carried out by the Club's supporters paid off when the registration was accepted later that year. A licence was granted for an Open show on 10th March 1985 to be held at Featherstone Community Centre near Wolverhampton. The committee with Reg Taylor as President (who still holds this position today) and Gerald Gensberg Chairman chose the top Lakeland person of the day in Les Atkinson (Saredon) to judge the first show of the newly formed Midland Lakeland Terrier Club. Les Atkinson (father of Judy Averis) who handled Champion

Rogerholme Recruit to Best in Show at Crufts in 1963 unfortunately passed away shortly before the show took place. Mr Frank Jones, another top terrier handler was able to step in at short notice and complete the appointment.

The Club has grown in popularity with its central location and dedicated hard work of Secretary Helen Ashe with a small but hard working committee, the club has for many years been breaking new ground in order to attract not just the show exhibitors but Lakeland Terrier owners in general which gives the Midland Lakeland Terrier Club shows a very friendly social atmosphere. The MLTC has also under the leadership of Helen Ashe put a tremendous amount of work into Discover Dogs at Crufts and also the now finished Discover Dogs at Earls Court, being part of the events since their beginnings. Many of the present Lakeland

Terrier judges have begun their first breed judging appointments with the Midland Lakeland Terrier Club and continue to support up and coming judges with first time appointments and breed stakes classes in order to gain valuable experience and the all important numbers.

The judge for the 2015 Championship show was Dieny De Munter (Van Folinny Home) her first time awarding Challenge Certificates in the breed, Dieny is well known around terrier circles having done her terrier apprenticeship at the famous Saredon kennels with the late Judy Averis who was the Midland Lakeland Terrier Club Patron for many years. Dieny now lives in Belgium and has her own successful kennel. Dieny De Munter principal winners were Dog CC - IR CH BROOKSIDE ARISTOCRAT. Owned by MS C & T Broaders prepared and handled

by Jackson Manser. RDCC - Oregill Hot Pursuit. Owned, bred and handled by Alan Johnston. Bitch CC - Kebulak Trickery owned and bred by Ms Cara Davani handled by Andrew Westwood. RBCC - Oregill Hot Gossip. Owned, bred and handled by Alan Johnston. BP - Laketrix Fire Starter Owned bred and handled by Deb Ryan. BIS - Kebulak Trickery. RBIS - Oregill Hot Gossip and BPIS - Laketrix Fire Starter. Mr Ken Bartlett (Dwilencia) judged the two following special stakes classes, after the judging had been completed a celebration birthday cake donated by founder member Wendy Bower was enjoyed with the aid of a little alcoholic beverage. Ken Bartlett's principal class winners were: The Midland Lakeland Terrier Club Special Kamajan Stakes - Dogs: 1st Brindlefields Mr Bojangles, owned by Mr N Riley handled by Deb Ryan

The Dot Taylor Remembrance Stakes - Bitches: 1st Laketrix Fire Starter.

The Midland Lakeland Terrier Club known for its new ideas organised an exhibitor's ring number draw with 10 x £10.00 cash prizes while the festivities continued. The Midland Lakeland Terrier Club is a credit to its Officers, Committee and its loyal band of Lakeland Terriers owners, long may it continue.
